- ¹³This total will not match the denominator for all data presented in this study. This source presents population figures and estimates going back to 1820 and so is a useful source. Their data come from the Census Bureau. However, much of the data we cite in this study comes from the American Community Survey 2014-2018, which averages estimates over a 5-year period and will therefore be different from this annual estimate; World Population Review. 2020. "Scott County, Indiana Population 2020." <https://worldpopulationreview.com/us-counties/in/scott-county-population>.
