

You can make a difference.

Our donors are helping their favorite causes through 80 endowment funds at the Scott County Community Foundation, totaling almost \$8 million! When we successfully meet Lilly's challenge, about \$1.25 million will be added to our endowments, resulting in an additional \$50,000 in grants and scholarships each year!

Over \$3 million has been awarded through the generosity of our donors during the past 18 years. Help build our community and continue this giving!

MATCHING
GIFT\$

Double your

*when you give to the Scott County
Community Foundation*

**MATCHING
GIFT\$**

Would you like to double your dollars?

You give \$1. It doubles to \$2!

\$1000 doubles to \$2000! \$10,000 doubles to \$20,000! **WOW!**

How do you double your dollars?

- You make a donation to the Scott County Community Foundation.
- Lilly Endowment makes a match, **\$1 FOR \$1**, for qualified gifts*

Why give your dollars now?

Simple. You share the vision of a better place. You've always wanted to do more. This is your chance to double your impact.

What does doubling your dollars do?

GROW THE VISION. Just 25 short years ago, Indiana

was home to only a dozen community foundations. Now, **94** community foundations and county affiliate funds throughout Indiana make grants to support local charitable organizations and programs in every single one of Indiana's 92 counties. Their value increased from \$30 million to nearly \$2.5 billion. Best

part? More than **\$915 million** went back into those communities.

Plus, if this matching challenge is met by March 31, 2016, about **\$132 million** in new dollars will be added to Indiana's Community Foundations, which could generate **\$6 million** or more in new grants for our Indiana communities every year.

The vision of improving the quality of life in our Indiana communities has resulted in great success. Doubling your dollars keeps that vision alive and well.

Where do the dollars go?

- **Civic and community development** – building stronger and more resilient local communities
- **Arts and culture** – strengthening cultural values, heritage, history and community engagement
- **Education** – supporting learning experiences from early childhood to professional to retirement years

- **Human Services** – meeting basic needs and helping to discover personal power and self-sufficiency
- **Environment** – conserving, restoring and maintaining our communities' natural resources
- **Youth** – promoting youth leadership skills, service in their communities, and positive youth development

Take the challenge now!

- **GIVE** – Double your dollars today
- **GROW** – Get a 100% return for your community right away
- **GOOD** – Feel good about the difference your dollars will make forever

**Some restrictions apply. Contact the Scott County Community Foundation for more information on matching gift eligibility.*
